Our Patron

Mr. Robert W. Duke

Patron

The Payneham Cricket Club (PCC) was founded in 1878 and is one of the oldest and most respected community cricket clubs, not only in South Australia, but in Australia. Our Club is well known and highly regarded not only in the world of cricket but especially within the broader social community within our state. This high regard is manifested in our relationships with Cricket Australia (CA) and the South Australian Cricket Association (SACA) as well as with other community groups. On any given weekend during the Season 2023/2024 our Club fielded 14 teams. This is very impressive. These included women's and men's teams as well as girls' and boys' teams. Women's and girls' cricket is strong within our Club and there is a commitment by all to develop and grow this initiative.

The Club continued to field four men's senior teams during the year. The Payneham 1st XI played in Division A3, the Payneham 2nd XI played in Division B2, the Payneham 3rd XI played in Division C1 and the Payneham 4th XI played in the Limited Overs Division 5. Two of these senior men's teams – A Grade and LO5 - won their premiership trophies, which is a

tremendous achievement for our Club.

As Patron, I find my continuous interaction with the players, members and supporters of the Club a privilege. The Club highlights of the season were the excellent performances of the Junior and Sub Junior teams in the U10, U12 and U14 categories. The Club fielded two senior women's teams and one girls team during the year. One senior team played in the Women's 1st Grade competition, and the second, played in the Women's 2nd Grade competition. Our Junior Girls team was fielded in the SACA Strikers Girls Cricket League (SGCL) in the Under 15 SGCL competition.

The Club is singularly fortunate in currently having an extremely dedicated and highly motivated Committee and Club Leadership. This Leadership encompasses an optimal mix of talents and leadership styles which enhance the overall pursuit of excellence which all members of the Club must strive to emulate. All Club members have the opportunity to aspire to maximise the Club's strengths while simultaneously minimising the Club's weaknesses.

In addition, all Club members must be encouraged to aspire to a coordinated identification of opportunities for the benefit of the Club while simultaneously eradicating threats to our Club.

And so, my fellow Club members ask not what your Club can do for you - ask what you can do for your Club. We will choose a system of considered objectives which will be framed by a comprehensive workable strategy to build and develop our Club during Season 2024/2025 and over the following 5 years. We will choose to continue to build and develop our Club by focussing on the commitments and challenges required to achieve this system of objectives because these challenges are what we at the PCC are willing to accept, one we are unwilling to postpone, and one which we intend to achieve.

The Club is in a sound financial position.

It is not often a President gets to write a report after a senior men's premiership but I am fortunate to have that proud duty. It is not just that that makes me proud of the Payneham Cricket Club. There is so much for us to all be proud of.

Wandering over early on a Saturday morning to help with the Blasters, the ground is covered with games of Primary School cricket. Then seeing those young boys and girls with the Blasters learning their basics of cricket with the help of the Payneham Cricket Club and its volunteers makes me proud. Being at the ground on a Friday with three under 10s games going on all around the oval with children and parents beginning their journey with the Dukes. Senior players helping on the BBQ, the canteen or bar with everyone there. Or having the junior girls game and an under 10 game happening. Makes us proud.

Being recognised by both the SACA and Cricket Australia for those Friday nights with all the games at one oval makes the whole club proud of that achievement.

Seeing our junior boys play their games in great spirit and competitively on Saturdays and Sundays at both Devitt & Payneham Ovals. In such a way that together with hard work from the coordinators and parent volunteers the number of players and teams continues to grow. That continues to make us proud.

Our Senior women continue to pave the way for female cricket in the area. The spirit of cricket and the joy with which these cricketers play the game is something that everyone should try to mirror. The Royals are teams we continue to be proud of.

Our senior men, their coaching structure, their commitment to the club across the grades and their willingness to play where and when required is great.

This cumulated in the finals success for both the LO5 and A grade team. It will be spoken about by many others but this made us all very proud.

I am very proud of the young group taking control of running the club in a professional and supportive manner. Their stewardship continues to steer the club in the right direction. I was delighted that one of our players that progressed through junior ranks, continuing to play in the top level has taken on the demanding role of Treasurer over a number of years was recognised with the Duke award, congratulations Will Bakewell.

The part that makes me most proud is the diverse backgrounds that all of our players come from to share a common love and goal. The love of cricket and the Payneham Cricket Club.

Payneham Proud.

Chairman's Report

Max Hughes

Chairman

Sitting back and looking at the season that was... it's hard to do, due to the fact that as soon as one season finishes, our eyes, especially from an executive and committee level, move towards the next season's organisation. It's hard to let yourself sit, reflect, and enjoy the season that was, but this year there were so many positives to look back on.

Success. Success is something all sporting clubs strive for, but it's not something that should be taken for granted. We have had a huge amount of success with our women's and girl's programs over the last 5+ years, but it's something that our senior men's program hadn't enjoyed since before I joined this great club. 17 years it had been since the A2 flag in 2006/07, but when you wait that long it makes them even more enjoyable when they finally come.

Our senior men's squad has been in a stage of development the last handful of years, building from the ground up. A strong foundation of experienced club people, helping to build and develop a group of young cricketers who just love the

game, and love this club. There have been some tough seasons, we had dropped down to A3, which we hadn't done in the entire history of our club, but we all had the aim of ensuring we build a club first culture, a culture that reminds players they are here to play for the club, for each other. This will continue to remain a work in progress, with plenty more work needed, but this season it resulted in a successful year, with not one, but two senior men's premierships. An A3 and an LO5 trophy, what an ending to another long tough season!

Our women's and girl's programs also had another successful year. Being able to build an opportunity for our young girls to develop and play in a senior competition, this will help their cricketing journeys immensely. As a club we need to ensure we are paving the pathway for the future, to ensure there is always an opportunity to come and play cricket. No matter who you are, we are and continue to be committed to this at an executive and committee level.

Our junior boys program

continues to build, from 6 sides last season, to 10 this season, the growth is a testament to the coordination and commitment shown by all. The innovation and willingness to try something different, with organising to field not one, not two, but three games of U10s cricket on Payneham Oval every second Friday night, not only resulted in being recognised at a national level for this initiative, but also showed if you think differently, you can create success even with finite resources - or ovals - to play on.

Success to most is to lift that trophy at the end of the season, and this is indeed an amazing feeling. Our club continues to be built on success at all levels, not only with lifting trophies, as was the case this year, but also success in having a group of like-minded people doing what they enjoy to do, to play... to watch... to support... to lead... to coach... to coordinate... the greatest game of them all... Cricket!

Senior Women

The Club fielded two senior teams in 23/24. Our female flagbearers, the Division 1 Royals led by captains Jess David and Bree Marziale, and a team of teens in the Division 2 senior competition, set up to give some of our Strikers Girls the opportunity to play regular senior cricket.

Our Div1 ladies started out strong with some new blood in the team – Mel Fanning, who was a very handy recruit with the bat and behind the stumps, Kate D, and some handy help from Brooke.

And it was pretty darn nice to welcome back club legend Kate Evans who rewarded us with a lazy 289 at 28.9 for the season to top the run-scoring!

Jess D and Sam were tidy as ever with the ball, taking 10 each for the season and Jess M with 9 of her own. The ladies are just getting better with age!

It was great to get out on the field together and do what the Royals do best and that's have a laugh and have some fun. It was a tough season at times

with some of the teams having some really strong players to compete against. We held our own for the most part and only missed playing finals by quotient, so all in all that's a pretty impressive effort.

We always put up a strong fight every week and are so proud of our efforts in the 23/24 season. We had some major growth as individuals and as a team.

Looking ahead for 24/25 with a new format being introduced creating an exciting challenge for our women!

And big thanks to Rory and Migi for their coaching help throughout the year!

In division 2, we fielded a group of teenage players, many from our U15 Strikers Girls team. This team was set up to give the younger girls a regular Sunday match in a senior competition, and they relished the opportunities. It was a big ask for the girls, many who had never played senior cricket, and they all did the Club very proud. They even came away with three wins for the year (four if you

count the forfeit!) and boy were they celebrated!

Congratulations to Bree Marziale for taking out the prestigious von Einem Family Medal polling 23 votes after an impressive season with the bat and ball. Bree scored 257 @ 28.56 and took a very handy 8 wickets for the year. She is also an absolute gun in the field and her win was very well deserved!

Congratulations also go to 13yo Lily Thompson who also polled 23 votes to force the first ever tie in the Medal's history, with a countback deciding the winner. Lily had an excellent senior year with the bat and ball, with 125 runs and led the Club's senior women's wicket-taking with 15 at an impressive 11.2 average.

Huge thanks, as always, to the volunteer parents and family members who help out each week with scoring, square leg umpiring and bringing the all-important afternoon tea.

Well done to all of our senior players on an outstanding year and for representing Payneham so admirably.

First XI Report

Duncan Dolling

Senior Men's A Grade Captain

Well what a season we have had!

After years of hard work, we achieved the ultimate goal of bringing a premiership to the Payneham Cricket Club. I could not be more proud of the team and extend congratulations to the LO boys for achieving the same result.

Some team highlights would be beating Saint Iggies twice, with our bowling performances winning us these games. Then beating Hectorville in the grand final. To no one's surprise it was once again our bowling which won us that game.

Our batting as a team struggled at times throughout the year, with the heavy lifting left to the bowlers. Definitely something we, as a team, will be looking to improve on.

Some individual highlights through the year start with inclusion of Grant Doran midway through the season. Grant brought a wise and mostly cool head as well as some superb fielding throughout the season. His batting performance in the grand final should not go uncongratulated - being not out in both innings of a grand final is a great achievement!

Jacob Sadler brought a lot of energy, great bowling and some suspect batting at times and got into a habit of calling his runouts before the ball had left his hand!

Then we come to old Jo Jo, Joe Richter-Gilbert, sporting an ordinary hair cut throughout most of the year. He bowled with great consistency, often bowling long spells and doing some heavy lifting when the team needed it. A 55-wicket season was an amazing effort and it was a pleasure to be apart of.

Second XI Report

Lachlan Jacobs

Senior Men's B Grade Captain

The 'Magoos' B Graders ended season 2023/24 in 8th position on the table, yet this probably did not tell the whole story when it comes to some of the cricket played during the season.

The youthful side grew in their ability to put up resilient batting performances, scoring more than 330 against Glenunga, as well as a winning score of 236 against eventual grand finalists, the Blue Brigade. There were an additional three games where the team scored upwards of 180, albeit going down in a couple of final-over thrillers to Adelaide Uni and second-placed Brighton.

Solid form from the likes of Liam Durdin and Jacob Sadler especially, meant a promotion to the A grade. Following this, the B grade turned to youth to fill the ranks. We would see Sam Lucas continue to bat long periods of time, showing grit and leadership with the bat, while Jack Davidson improved in leaps and bounds with his wicket-keeping craft, ensuring a consistent role in the twos.

The bowling brigade in the Bs continued to have an impact on games, with Migi and Lachie taking the majority of the Bs wickets throughout the year. Wickets were generally shared

around each week, with Devinda Fernando and Josh Edginton both having an impact in games throughout the year during their spells.

While it was disappointing to miss finals with a team that had the potential to go deep into March, inconsistent execution in games meant that in the last couple rounds we dropped further down the table. That being said, the camaraderie built on and off the field meant that a positive mindset was carried with us all throughout the year, no matter the result!

Third XI Report

Gurunath Murthy

Senior Men's C Grade Captain

The PCC C1 Nukes have had a transformative season, displaying an incredible turnaround in form compared to the previous two seasons that had recorded 1 out of 10 and 2 out of 6 wins respectively. This season, the aim was clear: to make it into the top four without compromising on the spirit of cricket, providing equal opportunities, exploring new talents and, most importantly, having fun.

As captain, it is my pleasure to highlight the journey, the skills, the attitudes, and the accomplishments of our diverse and dedicated team.

Our team comprised players ranging in age from 17 to 65 years, creating a unique blend of wisdom and energy.

Despite the age differences, every member displayed equal intent, ability, and effort, contributing to significant strides in fielding, bowling, and batting skills.

We started the season on a high

note with a win against a formidable opponent. However, initial exhilaration dipped slightly as our skills, energy, and enthusiasm waned. This phase was short-lived. The team showed exceptional resilience by re-dedicating themselves to rigorous training, working hard not just for personal gains but for the collective success of the team.

Each player made measurable improvements in their game (helped by the coach Chris Ansell, Rory Husler and other support staff around).

Just as we began to anticipate a top-four finish, a critical game coupled with adverse weather hampered our progress, narrowly missing our goal. Nevertheless, the team's spirit remained unbroken, leading to continued weekend indoor net sessions during the current offseason.

It may sound cliché to say that "It is not the destination but it is about the journey". I live by every word of what that

philosopher has said and it is true.

An exceptional camaraderie characterised our team this season. Players exhibited unwavering passion and loyalty to the club, the PCC C1 Nukes were best represented in all off-field club activities.

This season has been the most enjoyable and fruitful for the Nukes, marked by:

- Achieving a decent number of wins.
- Four out of the top 10 players in the Wasley Medal ranking.

In closing, I am immensely proud to lead such a dedicated, dynamic, and passionate team. We may have narrowly missed our target this season, but the foundation laid down promises a brighter future. Our drive, unity, and skills will undoubtedly propel us to greater heights in the upcoming seasons.

Go Nukes!

LO's Report

Jaideep Chanda

Senior Men's LO's Captain

The cricket season 2023/24 has been a resounding success, marked by stellar performances and memorable moments. It was also a great learning experience for the team, handling pressure situations and delivering results.

The squad demonstrated resilience and tactical ability in challenging conditions with each player rising to the occasion when required. Despite initial struggles from the top order, they rallied as the season advanced while the middle order capitalised on those foundations. Our bowlers showed incredible discipline and skill, getting our opponents all-out in most of our matches. Consistent performances from players like Harpuneet, Avneet, Naitik, Kanwar and of course Nathan in the final, lead to significant victories against formidable opponents of LO5.

The team's adaptability and assertive mindset were evident, driven by the singular ambition of clinching the championship.

The batsmen played fearless cricket, setting up and chasing down high totals, exemplified in the game against Hectorville where we chased down 280 runs in 37.4 overs, with Avneet Singh scoring the first century for LOs. While we scored almost 200+ runs most games batting first. The addition of new talents to the team added depth to the squad, contributing to a balanced and versatile lineup. Bowlers executed their plans meticulously, ruining the opponents run flow and taking crucial wickets, changing the game's outcome.

The LOs format saw the team embracing innovative strategies and maintaining composure under pressure. There were times when we lost quick wickets at the top, but our lower order rescued us. Against Pooraka, while chasing 156 we were 7 down for 70 runs but Naitik (51 no) and Babar (21 no) came to the party and closing the game with 3 wickets in hand. Similarly, bowlers employed variations and clever

field placements to outwit the opposition and bought us back in the game in more than a few occasions.

Off the field, the team's camaraderie and positive environment played a crucial role in their success. The Club's philosophy fostered unity and encouraged a culture of continuous improvement. Scotty's tireless efforts on the home pitch, the management, coaches, selectors (especially Chief Selector Robbo for selfless and unwavering support), were all crucial for the great success of the team.

Overall, this season's achievement is a testament to the team's determination and the contribution of each member of the club. This season's success set a high benchmark for the ones to come and hopefully this will be a first to many more Championship wins in future years.

Juniors Report

Justin Parkinson

Junior Boys Age Group Coordinator

Our Junior boys cricket program went from strength to strength in the 2023/24 season.

We saw a large influx of young cricketers into our under 10 program. This took us from two teams in 22/23 to four teams in 23/24. Thanks to the SACA we were able to acquire two extra Flicx pitches to accommodate the extra teams. This led to "Crazy Fridays at Payneham" where every second week we hosted three under 10 games simultaneously. It was great to see anywhere from 80 to 100 people at the club on these days with the BBQ going and the bar doing some nice trade. A huge thanks to all the volunteers who made this happen. Because of your efforts Payneham won the 23/24 National Community Cricket Award for Junior Initiative of the Year by Cricket Australia. Well done to all involved.

Our under 12 program also grew for the 23/24 season. Historically, we have fielded two teams but we were able to increase this to three teams last season. Our Under 12 Dukes and Under 12 Knights both had solid seasons with some close wins and close losses. All the boys performed well. Our new, and very young Under 12 blue team struggled to get wins on the board but the improvement of all the players over the season was clear to see. There are some wins coming for this group over the coming seasons.

Our under 14 program remained steady at two teams. Under 14 Dukes have been together for a while and they had a solid season finishing in the Top 4 in Division 3. Our new (and young) Under 14 Knights battled hard for the entire season. Unfortunately, they were

regularly hampered by a slight shortage of players however, again, they continued to put their best foot forward for the club. I am sure there will be more improvement over the coming seasons from this group.

For the first time in several years the club entered an Under 16 team into the SACA competition. This was an exciting step forward. The core group of players have been together for a number of years and it was great to see them continue through as a group. The team had some great results as well as some games that didn't go their way, but "that's cricket" as they say. We are looking forward to watching these boys continue their cricket journey with Payneham.

The little legends of Under 10 Red!

Strikers Girls U15

Our Under 15 Strikers Girls had another outstanding year, finishing top of the table with 9 wins. The girls have fun every Friday night, and they improve their cricket each week. It was reward for their efforts to earn themselves a home semi final berth. They fought hard against Salisbury in their semi, to no avail. But the girls hold their heads high having played some outstanding cricket throughout the season. We thank Anna Baker for her cricket knowledge and coaching skills throughout the year, and all of the parent volunteers who help out with scoring, setting up, and square leg umpiring! Well done to all of the Strikers Girls for another excellent season. We all look forward to seeing what you can do in 24/25!

Our top of the table Strikers girls!

AUDITORS REPORT TO THE MEMBERS

SCOPE:

We have audited the financial statements of The Payneham Cricket Club Incorporated for the year ended 31 May 2024 comprising the Profit and Loss Statement, Balance Sheet (Net Assets \$19,379.55), and the Notes to the Financial Statements. The elected Committee of the Association is responsible for the preparation of the financial statements. We have conducted an independent audit of these financial statements in order to express an opinion on them to the members.

The audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance whether the financial statements are free of material misstatement. Our procedures include examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial statements, and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial statements are presented fairly in accordance with Australian Accounting Standards, other mandatory professional reporting requirements and the provisions of the Associations Incorporation Act (SA) so as to present a view which is consistent with our understanding of the Association's financial position and the results of its operations.

The audit opinion expressed in this report has been formed on the above basis.

Pursuant to the requirements of Section 307C of The Corporations Act 2001, I declare that, to the best of my knowledge and belief, during the year ended 31 May 2024 there have been:

1. No contraventions of the auditor independence requirements as set out in the Corporations Act 2001 in relation to the audit; and
